Palomar CoolRoller™ Applicator

Use the CoolRoller on your clients' skin prior and post treatment to cool the epidermis and minimize discomfort.

- 1320-0017\$199.00

New!

Humatrix Microclysmic Gel

This cooling product delivers exceptional skin protection during high-energy light pulse treatments. Its cooling properties also assist in rapidly cooling skin after treatment, lowering the surface temperature of the skin by 8-12 degrees within three minutes of application, preventing further tissue damage caused by dehydration of cells.

- 10-0000-00 (Gel Spray 8.5oz bottle).....\$34.00
- 10-0000-01 (Gel Spray Case of 12/8.5oz bottles)\$359.00

EYEWEAR

Palomar C-Clear™ Safety Glasses

To protect your eyes, the C-Clear filter automatically darkens the lenses to black with every pulse of the IPL handpiece. The lens instantly returns to clear after

pulsing, which enables immediate evaluation of the treated area. This allows better visualization of the client's skin. For pulsed light only.
