How We Collect Information About You: South Coast Urogynecology and its employees and collect data through the following but not limited to the submission of the Health and Physical (H&P) registration forms, letters, phone calls, emails, and office notes either required by law, or necessary to process requests for medical care through our organization.

What We Do Not Do With Your Information: Information about your financial status and medical conditions and care that you provide to us in writing, by phone, via email (including information left on voice mails), contained in or attached to your medical chart, or directly or indirectly given to us, is held in the strictest confidence.

We do not give out, exchange, barter, rent, sell, lend, or disseminate any information about patients or clients who receive our services that is considered patient confidential, is restricted by law, or has been specifically restricted by a patient or client.

How We Do Use Your Information: Information is only used as is reasonably necessary to provide you with health care services which may require communication between South Coast Urogynecology providers, medical produce or service providers, pharmacies, insurance companies, and other providers necessary to: verify your medical information is accurate; determine the type of medical supplies or any health care services you need including but not limited to; or to obtain or purchase any type of medical supplies, devices, medications, insurance.

If you apply or attempt to apply to receive assistance through us and provide information with the intent of purpose of fraud or that results in either an actual crime of fraud for any reason including willful or un-willful acts of negligence whether information can be given to legal authorities including police, investigators, courts, and/or attorneys or other legal professionals, as well as any other information as permitted by law.

Information We Do Not Collect: We do not use cookies on our website to collect data from our site visitors. We do not collect information about site visitors except for a hit counter that simply records the number of visitors and no other data.

Limited Right to Use Non-Identifying Personal Information From Biographies, Letters, Notes, and Other Sources: Any pictures, stories, letters, biographies, correspondence, or thank you notes sent to us become the exclusive property of South Coast Urogynecology. We reserve the right to use non-identifying information about our patients or clients (those who receive services or goods from or through us) for fundraising and promotional purposes that are directly related to our mission.

Clients will not be compensated for use of this information and no identifying information (photos, addresses, phone numbers, contact information, last names or uniquely identifiable names) will be used without client's express advance permission.

You may specifically request that NO information be used whatsoever for promotional purposes, but you must identify any requested restrictions in writing. We respect your right to privacy and assure you no identifying information or photos that you send to us will ever be publicly used without your direct or indirect consent.

PAYMENT POLICY

Thank you for choosing us as your specialist. We are committed to providing you with quality and affordable health care. Because some of our patients have had questions regarding patient and insurance responsibility for services rendered, we have been advised to develop this payment policy. Please read it, ask us any questions you may, and sign in the space provided. A copy will be provided to you upon request.

1. **Insurance.** We participate in some insurance plans, including Medicare. If you are not insured, or not insured by a plan we do business with, payment in full is expected at each visit. If you are insured by a plan we do business with but don't have an up-to-date insurance card, payment in full for each visit is required until we can verify your coverage. **Knowing your insurance benefits is your responsibility.** Please contact your insurance company with any questions you may have regarding your **coverage**.
2. **Credit Card.** You will be asked for a credit card number at the time you check in and the information will be held securely until your insurances have paid their portion and notified us of the amount of your share. At that time, any remaining balance owed by you will be charged to your credit card, and a copy of the charge will be mailed to you. This will be an advantage to you, since you will no longer have to write out and mail us checks. It will be an advantage to us as well, since it will greatly decrease the number of statements that we have to generate and send out. This will lower our billing costs. The combination will benefit everybody in helping to keep the cost of health care down. This in no way will compromise your ability to dispute a charge or question your insurance company's determination of payment. We will charge you only the portion of the insurer-determined payment not paid by the insurer. We will not do "balance billing", which is asking you to pay the difference between our normal fee and the insurer's normal payment. We will accept your insurer's allowable billing amount. This policy may not apply if you are a cash-paying patient.
3. **Co-payments and deductibles.** All co-payments must be paid before or at the time of service. All deductibles must be paid when the amount is known. The arrangement is part of your contract with your insurance company. This fee is your responsibility. We cannot guarantee the deductible amount since it varies among patients and their plans and what services have been accessed in the recent past. It is best to call your insurance company.
4. **Non-covered services.** Please be aware that some and perhaps all of the services you receive may be non-covered, considered investigational by some health plans, or not considered reasonable or necessary by Medicare or other insurers. You must pay for these services in full at the time of visit.
5. **Proof of insurance.** All patients must complete our patient information form before seeing the doctor. We must obtain a copy of your driver's license and current valid insurance to provide proof of insurance. If you fail to provide us with the correct insurance information in a timely manner, you may be responsible for the balance of a claim.
6. **Claim submission.** As a courtesy to you, we will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. Please be aware that the balance of your claim is your responsibility whether or not your insurance company pays your claim. Your insurance benefit is a contract between you and your insurance company; we are not party to that contract. It is your responsibility to ask your plan what is covered and what is not covered.
7. **Coverage.** If your insurance changes, please notify us before your next visit so we can make the appropriate changes to help you receive your maximum benefits. If your insurance company does not pay your claim in 90 days, the balance will automatically be billed to you.
8. **Nonpayment.** If your account is over 90 days past due, you will receive a letter stating that you have 30 days to pay your account in full. Partial payments will not be accepted unless otherwise negotiated. Please be aware that if a balance remains unpaid, we may refer your account to a collection agency and you and your immediate family members may be discharged from this practice. If this is to occur, you will be notified by regular and certified mail, that you have 30 days to find alternative medical care. During the 30 day period, our physician will only be able to treat you on an emergency basis.
9. **Missed appointments.** We may charge a \$25 fee for missed appointments not canceled within 24 hrs. These charges will be your responsibility.
10. **Bounced checks.** Please be advised there is a \$25 fee for any bounced or returned checks.

Our practice is committed to providing the best treatment to our patients. Our prices are representative of the usual and customary charges for our area. Thank you for understanding our payment policy. Please let us know if you have any questions or concerns.

I have read and understand the Payment Policy and agree to abide by its guidelines.

PAYMENT POLICY FOR AESTHETIC SURGERY

Dr. Alinsod is the leading surgeon in his field of expertise and takes great pride providing quality and confidential care. Patients are exceptionally valued and provided extensive consultation time with both Dr. Alinsod and our patient liaison, enabling all questions and concerns to be addressed well in advance of scheduled surgery.

As you can imagine, surgical slots are at a premium. A great deal of thought has been given for evaluation, preparation, surgery time, and staffing needed for each procedure. In consideration for Dr. Alinsod's time, staff members, and fellow clients, we have an unwavering financial policy.

A 50% deposit is required at the time of scheduling surgery. This allows us to block the time needed for your surgery. The remaining balance is due one week prior to surgery. All fees must be received one week prior to surgery. A nonrefundable 50% of the deposit will be retained for a cancelled surgery that is not reschedule with Dr. Alinsod.

We accept cash, all major credit cards, and cashiers checks. Personal checks are not accepted. We provide several financing options and would be happy to discuss those with you.

Please note, additional surgical procedures cannot be added on the day of surgery unless payment in full has been received.

I have read and understand the Payment Policy for Aesthetic Surgery and agree to abide by its guidelines.

INTAKE & VOIDING DIARY

*This chart is a record of your fluid intake, voiding and urine leakage.
 Choose 4 days (entire 24 hours) to complete this record – they DO NOT have to be in a row.
 Pick days in which will be convenient for you to measure EVERY void.
 Please bring this diary to your next visit.*

INSTRUCTIONS:

1. Begin recording upon rising in the morning-continue for a full 24 hours.
2. Record separate times for voids, leaks and fluid intake.
3. Measure voids in “cc’s” using the hat.
4. Measure fluid intake in ounces.
5. When recording a leak – please indicate the volume (“1,2, or 3”), your activity during the leak, and if you had an urge (“yes” or “no”)

Example of entries
